

The MusicLink Foundation is a non-profit organization located in Arlington, VA which links qualified music teachers with promising students who are unable to afford musical instruction. By collaborating with private music instructors, professional music organizations, schools, and businesses, the Foundation is able to provide quality instruction, assistance with music & instruments, and music camp scholarships for MusicLink students. The MusicLink program has reached students in all 50 states providing over 535,000 hours of instruction equivalent to nearly \$15 million in scholarship donation by teachers.

All donations are tax deductible and will benefit the Minnesota MusicLink program. Please make checks out to: **MusicLink Foundation**
